

Knight on Wyndham Reveals New Makeover to its Apartments

Hong Kong, 11 March 2013 – **Knight on Wyndham, GR8 Leisure Concept Limited's** boutique serviced apartment located in the heart of Lan Kwai Fong, has given its apartment units a makeover to offer an even more comfortable experience for guests.

The Chinese believe that the Lunar New Year is a time for change, so what better time to revamp our serviced apartment than the start of a new year? **Knight on Wyndham** has updated all of its 10 apartment units to include new furniture, including a new sofa and adjustable coffee table, in its living rooms. The sofa doubles as a sofa bed, making it more convenient to have a mid-day snooze or have visiting friends stay the night. The new, beautifully designed multifunctional table easily converts from coffee table to a dining surface with hideaway storage so guests can make the most of their living space. With **Knight on Wyndham's** unique décor, fully equipped facilities, and maximum security and privacy, guests can truly relax and experience in a place they call their second home.

Aside from offering quality accommodation, **Knight on Wyndham** also caters to your entertainment needs with its multipurpose party venue on the 2nd floor of the serviced apartment, Knight Club. Perfect for private parties, corporate events, movie nights and all types of celebrations, guests can rent the entire venue for just HK\$600* an hour for a crowd up to 30 people. From now until 31 March, guests can enjoy a 50% discount on their second visit within the same calendar month. The private room is fitted with high-quality entertainment facilities including a giant flat-screen HDTV, karaoke sound system and DVD player to create an event that is exclusively yours. Guests will also be able to watch the crowd over a quiet drink or two on the outdoor terrace overlooking the crowds at Lan Kwai Fong.

Knight Club welcomes guests to bring their own food and drinks, but those who would prefer a unique dining experience can check out Robata Zawazawa, a unique robotayaki restaurant and bar located just steps away from Knight Club, or have food from the restaurant delivered to the party without having to interrupt the fun.
